SUBJECT: Expression of Interest for 2010-11 High Performance Program

Expressions of interest are being sought for athletes to be part of the 2010/11 High Performance Program. The High Performance Program has been designed to produce top level surf lifesaving athletes in South Australia now and in the future. One of the greatest honours an athlete can receive is to be selected to represent their State in competition. Participation in the program can lead to State Team and State Development Team selection.

Any athlete who placed in the top three positions in relevant events at the 2010 State Championships will receive their own invitation.

In addition we will allow limited wild card entries. These are for athletes who did not place in the 2010 State Championships but may have the necessary attributes to be considered for inclusion. This would mean that the athlete has the necessary attributes to potentially finish in the top couple of positions in relevant individual events. Expressions of Interest for these wild card entries are now being called.

Please note this is for athletes Under 13 and above in the 2010-11 season. The State Team will comprise athletes Under 15 and above while the Development Team may include Under 13, Under 14 and Under 15.

To begin the program and provide all the information that athletes require, a forum will be conducted on **Wednesday 1st September 7.00 pm at the Brighton SLSC**. At the forum we will provide information on:

- Selection policy
- Squad / team membership agreement
- Training program and requirements
- Interstate competition
- Development and high performance camps
