8 December 2010

ID: C10065
TO: Club Presidents, Secretary, Captains, Competition Officers, Surf Sports, BoSS
FROM: Michael Schetter, Surf Life Saving SA
Dick Clarke, Chief Referee
SUBJECT: Information regarding Senior Carnival 2 – South Port, December 12th

- A **DRAFT** of the events to be conducted is below and we will endeavour to keep as close to these as possible. We are all aware of the difficulties in keeping to a program but an attempt will be made to do so should conditions allow.
- No tractors will be available so care is required in towing trailers (e.g. you are encouraged to let tires down to approx 15 psi). Trailers to be parked at northern end of competition area.
- Canteen facilities will be available from the Club.
- All competitors to have registered to compete via pre-entry system (a master list only from each club is required) and confirmed on the day prior to event. Please also include all boat competitors so that checking against SurfGuard can be done. Late nominations will be taken and checked.
- We would encourage the Team Managers or 1 person from each club to marshal for each event rather than all competitors as they could be competing in another event.
- All team events can have members from other clubs in them (Composite Teams) but no points will be awarded for composite teams.
- Board and Ski events will be conducted in Grades (A, B, C, etc for U/17 M & F upwards including masters) depending on ability. The aim is to have 3 rounds alternating between Ski and Board with minimal rest in between. The top 4 in each grade will go up and the bottom 4 will go down after each round.
- At the end of the last round the placing will be worked out for each age / gender category.
- There will be 2 areas - Male (U/17 - up) and Female plus all U/15's
- Under 15 – Board Rescue will be gender specific but other teams initially NGS (depending on numbers) to encourage more teams
