

CIRCULAR
27 July 2011

ID: C11013

TO: Club Secretary, Club Captains, Club Presidents, Competition Officers of Clubs previously nominated for Pool Rescue Championships, BoSS

FROM: Michael Schetter, Surf Life Saving SA
Heather Thompson, Pool Championships Referee

SUBJECT: SLSSA Pool State Championships – completion of events

As the SLSSA Pool State Championships were not completed on June 5th 2011, we have been working with the SA Aquatic and Leisure Centre to find a suitable time to complete them. We are able to access the competition pool on **Saturday 6th August from 3.00 pm to 5.00 pm.**

Please confirm your attendance and approximate competitor and team numbers.

Please note the following items:

- OFFICIALS AND VOLUNTEERS (timekeepers and equipment handlers) Each competing club is required to provide officials as per Circular C10098. Due to the fact that this is a catch up event, this can be negotiated with the Referee (Heather Thompson) but if we do not have enough officials obviously the event will not be conducted.
- Clubs are to provide their own fins for those that require them. Rescue tubes and Manikins will be supplied. All equipment must comply with the ILS specifications as specified in the ILS Sports Manual section 11.
- Competition equipment will be subject to random scrutineering checks during the event.
- Protests - \$100 required per protest up front, there will be no invoices. A reminder that a verbal protest is required within 5 minutes of the conclusion of the event and a written one within 15 minutes.
- Club caps (or swim caps) must be worn and all must be consistent in team events. All event handlers must also have club caps on.
- Teams can arrive from 2.15 pm but only limited warm up will be available as the pool needs to be set for competition.
- Parking is available free of charge in the multi-story car park immediately in front of the SA Aquatic and Leisure Centre.
- Entry will be via the normal Pool Entry area (**not** via 'Event Entry' gate as per last event). You will need to identify yourself as a **competitor, spectator or event official.**
- Seating will be in the first 4 rows of the main Southern Stand.

- Kiosk facilities will be available within the SA Aquatic and Leisure Centre.
- Marshalling will be critical as we will need to confirm all entries for timing and recording purposes. Marshalling will take place 15 minutes prior to event start. It will close 5 minutes prior to each event and NO late entries will be allowed.
- Warm up – limited warm up and cool down will be available at the direction of the Referee.
- Eligibility and qualification for entry into the 2011 Pool Championships is by the existing ruling. As this is a State Championship event for the 2010-11 season, members had until the **31st December 2010** to complete 16 hours or comply with SLSA policy 5.4 and relevant bulletins/circulars. All other eligibility criteria also apply including SLSA financial membership and are the holder of the appropriate award as per Surf Sports Manual Revised 33rd edition.
- Competitors will also only be able to compete in a maximum of **2 (two) team age groups** per event and events will not be held up to wait for competitors. Individual event entry is under the same ruling as normal carnivals and State Championships event as per Surf Sports Manual Revised 33rd edition (generally own age group plus open if eligible).
- A brief description of events is on the SLSSA website (Surf Sports / Competition / Pool Events)
- Code of Conduct – all people are expected to adhere to the SLSSA Codes of Conduct. Under no circumstances will abuse towards officials be tolerated and will be dealt with by the disciplinary committee.

Official's and Team Manager's briefings at 2.45 pm on pool deck
