FROM: Michael Schetter, SLSSA
SUBJECT: **Establishment of new Panels** - Expression of Interest for membership on:
Officials Panel

Expressions of interest are being sought from suitable persons interested in gaining membership on any of the following Panels:

- **Officials Panel**
- **Life Saving Events Panel**
- **Coaches Panel**
- **March Past panel**

The Panels will reports to and provide advice and recommendations to the Surf Sports Standing Committee (formerly Board of Surf Sports).

Officials Panel:

At the post season official's function and with many discussions with a range of officials, it has been agreed that SLSSA should pursue the concept of setting up a more formal Officials Panel. Ideally this needs to have representation from all clubs and all disciplines. All clubs are encouraged to identify an appropriate official(s) to register. The Panel will determine final composition, terms of reference and meeting requirements.

The role of the Panel would be to work within the relevant sections of the Surf Sports Strategic Plan, ensure that there is consultation and discussion around issues in officiating, seek solutions / programs / opportunities to address the issues and ensure ongoing education and training is conducted. The Panel will be in a position to make recommendation to the Surf Sports Standing Committee accordingly.

Life Saving Events Panel:

Again following the post season official's function, through the consultation around the development of the Surf Sport Strategic Plan and with many discussions with a range of officials, it has been agreed that SLSSA should pursue the concept of setting up a more formal Life Saving Events Panel.

The role would be to work within the relevant sections of the Surf Sports Strategic Plan, to support the development, growth and delivery of Life Saving Events in South Australia specifically focussing on Champion Patrol, Champion Lifesaver, R&R and First Aid competitions.

Ideally this needs to have representation from all clubs and all disciplines. All clubs are encouraged to identify an appropriate person(s) to register. The Panel will determine final composition, terms of reference and meeting requirements.

Coaches Panel:

At the Coaches Forum conducted 27th September, it was agreed that SLSSA should pursue the concept of setting up a more formal Coaches Panel. Ideally this needs to have representation from all clubs and all disciplines but we understand that this may take some time. All clubs are encouraged to identify an appropriate coach(es) to register. The Panel will determine final composition, terms of reference and meeting requirements.

The Panel would work within the relevant sections of the Surf Sports Strategic Plan, would ensure that there is consultation and discussion around issues in coaching, seek solutions / programs / opportunities to address the issues and ensure ongoing education and training is conducted. The Panel will be in a position to make recommendation to the Surf Sports Standing Committee accordingly.

March Past Panel

Anita Johns, as Chairperson of the March Past Panel, is keen to expand the membership of the Panel to ensure all clubs are represented and therefore have an opportunity to have their say. All clubs are encouraged to identify an appropriate member(s) to join the Panel. Anita has been forced to postpone Panel meetings due to lack of numbers.

Please use the form below to register your interest. The form also allows for people to express an interest in Chairing the Panels.
