BULLETIN

Bulletin No: B11009

To: Club Presidents, Club Captains, Club Secretary, Junior Coordinators, Carnival Officials

From: Michael Schetter, Surf Life Saving SA
Dick Clarke, Chief Referee

Date: 11 November 2011

Subject: Carnival Officials - **Club Quota**

The table below provides the number of officials required by each club to enable a carnival to be conducted in accordance with the rules and regulations as set out by SLSA.

Due to the overwhelming requests to streamline junior carnivals and to have more predictability (in terms of events and times), a program was introduced last season with a fourth water area. This will again be utilized at all junior carnivals and State Championships. For this to work we will need more officials and therefore club quotas may have increased. Quotas are calculated according to the percentage of participants at the previous year State Championships.

- Clubs are required to provide officials at all carnivals whether they have competitors competing or not. Club obligations are to be met for the duration of the carnival (Start to Finish).
- Referees will close down areas or remove a club from the competition arena should a club fail to meet their obligation. The Board of Surf Sports, at its October 2009 meeting, also resolved the following:

That all clubs have an obligation to fill their quota in both junior and senior carnivals. It was agreed that penalties need to be put in place and enforced. For the first breach the Club will be offered a choice of withdrawing from the carnival or accept a penalty of \$500 which will be suspended if the Club meets its commitments for the remainder of the season. For a second breach the Club will be liable for the original fine of \$500 and either withdraw from the carnival or accept a further penalty of \$500.

Please note that an allocation has also been made for Masters State Championships for this season.

As we are all aware, if we are unable to meet the prescribed quota we will be unable to provide the competition required by clubs and competitors. We seek your support to avoid disappointment.

Officials are to report to the Chief Marshall to **"Sign On"** at the start of the day and **"Sign Off"** at the end of the day.
