Circular

Circular No: C12016

To: Club Captains, Club Secretary, Competition Officer, Carnival Officials

From: Surf Life Saving SA

Date: 17th February 2012

Subject: 2011-12 Masters State Championships (Port Elliot SLSC) program update

As per Circular C12008, clubs are required to submit nominations via a simple master list (plus number of crews for Surf Boat Racing). All Masters Events will be open to all competitors on the day as long as they are on the Club Master list.

REMINDER: ALL competitors need to register on the day and have their age category written on their arm.

Nomination Fees:

Please note: Nomination fees will apply for Masters State Championship Entries. This has remained at \$30.00 per competitor (\$90.00 late entry). No entry fees need accompany the nomination form as these will be accounted for after the close of entries.

Patrol Hours:

Patrol hour qualification for entry into the 2011-12 Masters State Championships is by the existing ruling. Members had until the 31st December 2011 to complete 16 hours or comply with SLSA bulletins/circulars. Members not completing the current hours will forfeit medals, points and render themselves unable to compete in other State Championship Events in season 2011-12.

All competitors must be proficient and financial and be the holder of the appropriate award at close of entries.

A draft of the order of events to be conducted is below and we will endeavor to keep as close to these as possible. We are all aware of the difficulties in keeping to a program but an attempt will be made to do so should conditions allow.

Note that the order of ages will be determined by number of entries so that larger numbers can have a rest between heats and finals. The 'Chute' process will be used with two identical courses set and events put into an area as soon as it is free.
